

Library Go

LIBRARY 3.0 DIGITAL LIBRARY PLATFORM

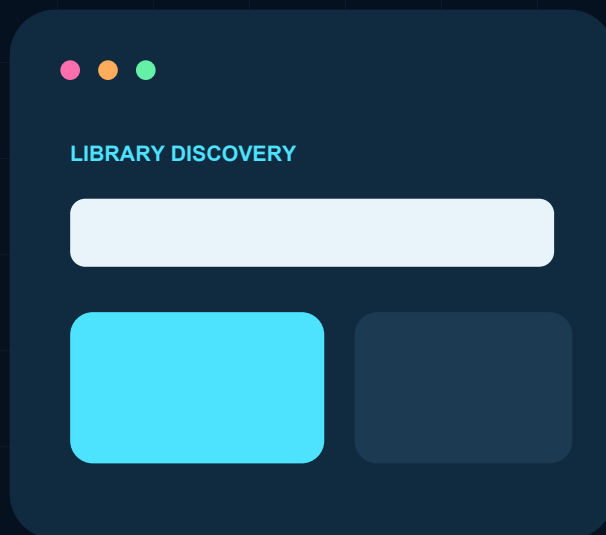

Knowledge, without walls.

Library 3.0 for intelligent discovery, connected knowledge, personalised participation and responsive library operations.

PRODUCT OVERVIEW

PUBLIC DISCOVERY / MEMBER SELF-SERVICE / STAFF CONTROL

A product of Software Samadhan

LIBRARY 3.0 IN PRACTICE

From storing information to connecting knowledge.

LibraryGo applies Library 3.0 by connecting intelligent discovery, member participation, digital services and evidence-led operations. Readers receive a responsive experience while library teams gain practical tools for continuous service improvement.

01 / PUBLIC

Discover

Catalogue, notices, hours, resources, open access and repository discovery.

02 / MEMBER

Connect

Applications, profile, identity, attendance, requests, feedback and chat.

03 / STAFF

Manage

Content, members, attendance, repository, statistics and service oversight.

The evolution built into LibraryGo

Evidence-led service

LIBRARY 3.0 CAPABILITIES

Intelligent. Participatory. Connected and responsive.

01 / DISCOVER**Catalogue & WebOPAC**

Search collections and highlight new arrivals.

**02 / RESEARCH****Repository & resources**

Publish institutional work and guide research access.

**03 / JOIN****Membership & identity**

Apply online and manage status and ID-card requests.

**04 / VISIT****QR attendance & hours**

Run check-in sessions and publish availability.

**05 / ENGAGE****Requests, feedback & chat**

Keep a direct service channel open with readers.

**06 / UNDERSTAND****Statistics & activity**

Measure visits, use and service demand.

FOCUSED EXPERIENCES

One platform. Three clear audiences.

PUBLIC PORTAL**A welcoming digital front door**

- Catalogue and WebOPAC search
- Notices, events and new arrivals
- Hours, rules and borrowing information
- Resources and open-access collections
- Institutional repository discovery

MEMBER ACCOUNT**Self-service that stays connected**

- Online membership application
- Profile and ID-card requests
- Saved links and personal archive
- Attendance and access history
- Feedback, requisitions and staff chat

STAFF WORKSPACE**Control without unnecessary complexity**

- Member review and status control
- Content and resource publishing
- QR attendance session management
- Repository administration
- Statistics and activity oversight

ADMIN AND STAFF WORKSPACE

Publish, respond and measure from one controlled workspace.

01 MEMBERS

Applications, records, status and ID-card processing.

02 CONTENT

Events, notices, alerts, arrivals, hours and library pages.

03 RESEARCH

E-resources, open access and repository documents.

04 ATTENDANCE

Timed QR sessions, check-ins and attendance history.

05 SERVICE

Feedback, requisitions, visitor comments and chat.

06 INSIGHT

Library statistics, traffic, use patterns and activity logs.

Operational clarity without a maze of systems

Role-based access keeps each user focused. Connected records make member activity, content updates, attendance and service interactions easier to review. Activity logging supports accountability and informed decisions.

LIBRARY 3.0 FOR YOUR INSTITUTION

Your identity. Your collections. One connected experience.

LibraryGo brings Library 3.0 into your institution through resources, personalised member services, participatory smart access and evidence-led improvement.
